Scoliosis Research Society Mission Statement

The purpose of the Scoliosis Research Society is to foster the optimal care of all patients with spinal deformities.

ACCME

The Scoliosis Research Society recognizes that commercial support is an important element of educational meetings and adheres strictly to all ACCME directives and guidelines that govern commercial support of continuing education.

AdvaMed

The Scoliosis Research Society adheres to the Advanced Medical Technology Association (AdvaMed) Code of Ethics on Interactions with Health Care Professionals. Support opportunities offered herein follow the revised code adopted in July 2009, which clarify and distinguish between appropriate and inappropriate activity between health care professionals and representatives of medical device companies.

Invitation to Support

Dear SRS Corporate Partners,

We are pleased to offer the following 2025 Corporate Support Program. The Scoliosis Research Society (SRS) has had another year of strong performance supporting our primary goals of research, education and outreach, and we are looking forward to 2025.

Importantly, the depth and breadth of our corporate support has grown, facilitating our ability to effectively carry out our worthwhile mission. These vital SRS activities, among others, would not have been attainable without your continuous support. We recognize and appreciate our strong relationships with companies that share our commitment to spinal deformity care. SRS is proud to acknowledge our Corporate Partners as critical contributors to the success and progress of the Society, as we pursue our mission “to foster the optimal care of all patients with spinal deformity.” We know that you share in our mission and hold a stake in our success.

Meeting Conduct Guidelines

SRS asks each of its Corporate Supporters to adhere to the following guidelines regarding participation in SRS meetings and courses, as a courtesy to the Society, its members and meeting delegates:

- No entertainment functions, meetings, courses or social functions may be scheduled to conflict with SRS meeting program hours, activity hours, exhibit hours or social events.
- Entertainment and social functions must be in good taste and conform to the purpose of the meeting, as well as complying with all AdvaMed and MedTech guidelines governing interaction with physicians.
- Exhibitors and supporters must obtain prior approval of SRS for all special activities (entertainment, educational, social, promotional, etc.) held in conjunction with the SRS Annual Meeting and IMAST. Please refer to the Affiliate Function Space Request Guidelines below, for more information.
- Announcements and invitations addressed to members of the medical profession concerning such industry events should clearly indicate the name of the corporate supporter and must in no manner imply directly or indirectly that the event is part of, endorsed by, or an official activity of, SRS.
- Attendee lists provided by SRS to Corporate Supporters, as part of the Benefits of Support outlined on page 2-4, are intended for one-time, meeting-related use only. All announcements and invitations addressed to SRS meeting delegates must be pre-approved by SRS. **Violations will result in a one-year ban from receiving any type of mailing list.**

Affiliate Function Space Guidelines

Exhibitors and supporters must obtain prior approval by SRS for all special activities (entertainment, educational, social, promotional, etc.) for the period beginning Sunday, September 14 through Saturday, September 20 for the Annual Meeting; and Wednesday, April 2 through Saturday, April 5 for IMAST, **including any events you plan to hold for Innovation Day at IMAST, which may now be held Wednesday prior to sessions beginning OR anytime on Saturday.**

Affiliate function requests will be collected through an online system. Approved requests will be forwarded to the appropriate venue for space assignment, which will be at the sole discretion of the hotel or convention center.

The link to submit requests for IMAST affiliate space will be available June 2024, and Annual Meeting affiliate space will be available October 2024.

For any questions, please contact the SRS Team at corporate-support@srs.org.

Only applications that adhere to the following Meeting Conduct Guidelines will be approved:

- No entertainment functions, meetings, courses or social functions involving surgeon delegates may be scheduled to conflict with SRS meeting program hours, activity hours, exhibit hours or social events. Internal corporate meetings involving supporter or affiliate organization staff only are exempt from this limitation.
- Entertainment and social functions must be in good taste and conform to the purpose of the meeting, as well as complying with all AdvaMed guidelines governing interaction with physicians.
- SRS should be notified in writing of any special activities (whether entertainment, educational or promotional in nature) planned by an affiliated company for the period during which SRS meeting functions occur.
- Announcements and invitations addressed to members of the medical profession concerning such industry events should clearly indicate the name of the corporate supporter and must in **no manner imply directly or indirectly that** the event is part of, or an official activity of, SRS.
- Attendee lists provided by SRS to Corporate Supporters, either as part of the benefits of Support outlined in the Corporate Support Program or as part of IMAST exhibition packages, are intended for one-time, meeting-related use only. All announcements and invitations addressed to SRS meeting delegates should be preapproved by SRS.

Email lists can be used for the following meeting-related (Annual Meeting or IMAST) purposes:

- Promotion of Hands-On Workshops (HOW) or presence at IMAST as an exhibitor.
- Presence at the Annual Meeting including off-site activities in accordance with affiliate function guidelines and corporate hospitality room policies.
- Emails should not include promotion of specific devices or courses not in conjunction with the Annual Meeting or IMAST.
- Announcements should not imply a product or company is endorsed by SRS.
- General company news is appropriate if related to presence at Annual Meeting or IMAST; however, blast emails should not be a general promotion of the company.
- All blast emails must be approved by SRS; specific instructions for approval will be sent to company representatives with the email list.

Overview of the Annual Meeting

The Scoliosis Research Society Annual Meeting is a forum for the realization of the Society's mission and goals, to foster the optimal care of all patients with spinal deformities. Presentations at the Annual Meeting are given by leading experts in the field and have value for health care professionals who treat spinal deformities at all levels and in all ages. Over 160 papers will be presented on an array of topics, including adolescent idiopathic scoliosis, growing spine, kyphosis, adult deformity, trauma, neuromuscular scoliosis and tumors.

- In a five-year period, held in North America three times and outside North America twice.
- Approximately 1,500 attendees.
- The latest and greatest scientific research, methods and techniques in spinal deformity.
- 3-day program plus Pre-Meeting Course, including podium papers, Lunchtime Symposia and E-Point Presentations.
- Podium presentations are four minutes in length.
- Minimum two-year follow up required for abstract submissions.

Target Audience

Presentations at the Annual Meeting will have value for physicians and allied health personnel who treat spinal deformities at all levels and in all ages of patients. Medical students, residents, fellows and researchers with an interest in spinal deformities will also benefit from the materials presented.

Annual Meeting Grant Support

SRS is pleased to accept support in the form of grants to offset the costs of various Annual Meeting educational components, networking opportunities and meeting services. Grant opportunities include, but are not limited to:

Educational Grant

By providing an educational grant in any amount, your company can help off-set Annual Meeting expenses, and help keep meeting registration fees low.

Any Amount (open to multiple supporters)

E-Point Presentation Kiosks

Multiple supporters will have the opportunity to support the E-Point Presentation kiosks. More than 100 E-Point Presentations are displayed at the Annual Meeting at special computers located in a high-traffic area. Corporate supporters will be acknowledged on each kiosk, in the Annual Meeting Meeting Guide and on signage.

\$10,000 (open to multiple supporters)

Reservation deadline for this grant – July 1, 2025

Ribbon Wall

Multiple supporters will have the opportunity to support the Ribbon Wall, where delegates will pick up the ribbons that they will put on their name badges. Located in a high-traffic area near registration; names of corporate supporters will be displayed on the ribbon wall.

\$5,000 (open to multiple supporters)

Reservation deadline for this grant – July 1, 2025

Beverage Breaks

As a supporter of *all breaks on one day of the meeting*, your company will be acknowledged by signage in the beverage break areas and recognized in printed materials.

\$15,000 per day (Wednesday, Thursday, or Friday)

Reservation deadline for this grant – July 1, 2025

Welcome Reception

The Opening Ceremonies on Wednesday, September 17 officially mark the commencement of the Annual Meeting. Afterward, delegates will gather at the Welcome Reception in a nearby area to enjoy food, beverages and to reconnect with colleagues. The supporter(s) will be acknowledged in the final program and meeting guide as well as on signage at the reception.

\$20,000 (open to multiple supporters)

Reservation deadline for this grant – July 1, 2025

Pre-Meeting Course

The SRS Education Committee presents a half-day course prior to the start of the Annual Meeting each year. Topics and faculty are selected by the Education Committee and will be announced in early 2025. Coffee breaks are served and CME credits are offered for this session. Up to four supporters are welcome to support the course to assist in offsetting overall program expenses. Supporters will be acknowledged in the Course syllabus materials and on signage outside the session.

\$10,000 (open to up to four supporters)

Reservation deadline for this grant – July 1, 2025

Hibbs Society Meeting

Over the years, the Russell A. Hibbs Society, formed in 1947 as an international travel club for continuing medical education and furthering orthopaedic knowledge, has held an educational meeting at the SRS Annual Meeting. These meetings address difficult and complex issues that do not lend themselves to the usual kind of scientific presentations. The meeting encourages interaction among international participants and highlights new ideas, new concepts, and reports on personal experience. The Hibbs Society Meeting is planned by the SRS Traveling Fellows and will highlight current concepts and controversies around optimization of care ranging from early-onset scoliosis to idiopathic scoliosis to adult deformity surgery. Supporters will be acknowledged in the program materials and on signage.

\$5,000 (open to up to four supporters)

Reservation deadline - July 1, 2025

Lunchtime Symposia

The SRS Education Committee presents 2-3 Lunchtime Symposia on Wednesday, September 17. Topics and faculty are selected by the Education Committee and will be announced in early 2025. Corporate Supporters are welcome to support the sessions to assist offsetting overall session expenses. Supporters will be acknowledged in the program materials and on signage outside the session.

\$5,000 (open to multiple supporters)

A single supporter may brand the wireless Internet access cards with their name and tagline (subject to SRS approval) and will also be acknowledged in the Annual Meeting printed materials.

\$30,000 (open to one supporter)

Reservation deadline for this grant – July 1, 2025

***NEW* Think Tank**

In SRS Think Tanks, the Society convenes subject matter experts to discuss topics of your choosing. Companies provide SRS with goals and objectives for a private, 75-minute or 90-minute panel session. Based on these identified goals and objectives, SRS will generate a list of recommended experts from which you may select up to 5 panel participants whose expertise aligns with the session goals and objectives. Companies engaging SRS to plan and implement a Think Tank will execute an agreement with the Society stipulating the roles and responsibilities of each party. Please note: These panels are private sessions between company representatives and the selected SRS experts and may take place in person during the SRS Annual Meeting or International Meeting on Advanced Spine Techniques (IMAST).

\$20,000 per 75-minute panel

\$25,000 per 90-minute panel

Thursday Afternoon Networking Sessions

Industry supporters have the opportunity to host networking sessions over cocktail hour following the conclusion of SRS programming on Thursday. Networking sessions will run 16:00-17:30. Triple, Double, and Single Diamond Supporters are able to host receptions in their designated Hospitality Suites, or request space at the meeting venue to be used. Bronze-Platinum Supporters will be provided meeting space at the venue. ALL additional meeting space requests will be granted as available and will vary at each venue. Companies are responsible for providing any food or beverage for their hosted Networking Sessions.

60th Annual Meeting

September 16-20, 2025 • Charlotte, NC, USA

Industry Workshops

Rooms will be available for industry workshops on Thursday, September 18 from 12:45-14:15 (day and time subject to change based on final program) during the Annual Meeting. Each workshop is programmed by a single-supporting company; featuring presentations on topics and technologies selected by the supporting company.

Workshop rooms will accommodate approximately 100 people in theater seating, with basic AV (microphone, screen, LCD projector) provided. One company per room, with workshops available on a first-come, first-serve basis. Due to the limited number of workshop rooms, companies may request a maximum of one workshop. Presentations should be on relevant, spine deformity topics, presented by industry-appointed instructors.

SRS course faculty are eligible to participate as instructors. Use of the SRS Presidential Line (President, President Elect, Vice President, Immediate Past President) as faculty are limited to Triple Diamond Partners and Double Diamond as outlined on pages 2-3.

Workshop Fee: \$40,000

Workshop fee includes:

- A/V: LCD projector, screen, lectern microphone
Companies should plan to bring their own laptops with presentations pre-loaded
- Lectern/Podium
- (1) 6' head table in front of room
- (2) 6' tables at the back of room
- Theater-style seating

Reservation Deadline: December 2, 2024

Limit of 1 workshop per company. (Available to six supporters)

Rules & Regulations:

1. No equipment is permitted outside of assigned workshop rooms. The only items allowed outside of assigned room are:
 - Sign
 - (1) sign in/check in table (if requested)
2. THERE WILL BE NO Lead Retrieval/Badge scanners or Developer's kits for custom lead retrieval systems available from SRS.
3. Instructor Selection
 - The sponsoring company is welcome to invite the instructors of their choice, and any number they wish.
 - Either company personnel or surgeons may serve as instructors.
4. Instructor Restrictions:
 - Workshop supporters are responsible for contacting chosen instructors to invite them to participate and then to communicate the names of confirmed instructors to SRS. SRS will not contact potential instructors and will assume that names submitted have been confirmed in advance.
 - Use of the SRS Presidential Line (President, President Elect, Vice President, Immediate Past President) as faculty are limited to Triple Diamond Partners and Double Diamond Partners as outlined on pages 2-3.
 - SRS-selected faculty are eligible to participate as instructors.
 - All Instructors must be registered for the Annual Meeting.
5. Instructor Funding:
 - The sponsoring company is responsible for all expenses incurred by their workshop instructors, subject to the company's own internal guidelines and agreements with the instructors.
 - SRS will not pay for instructor expenses.
6. Promotion:
 - SRS will promote workshops in the Annual Meeting newsletter, mobile app, online, in the Preliminary Program, Final Program, and other printed materials.
7. Companies are welcome to promote their workshops
 - In print, with approval of message by SRS
 - Electronically, with approval of message by SRS
 - (1) Sign/banner stand outside of assigned room at time of the workshop
 - Workshop supporters are welcome to promote the workshops in which they will participate using their own contacts or distribution channels, both in advance of the Annual Meeting and onsite during the meeting. However, all promotional materials, including both print and electronic messages, must be approved by SRS prior to distribution. Please send a draft of the materials to corporatesupport@srs.org for prompt review.
 - Distribution of printed materials onsite at the Annual Meeting is restricted to advertising space purchased from SRS, such as bag inserts or hotel room drops. Flyers may NOT be placed in session rooms, the registration area, distributed by hand to delegates in any part of the meeting space without written consent from SRS. Delegate bag inserts or hotel room drops may be used to promote workshops. Please refer to page 11 for more information.

60th Annual Meeting

Industry Workshops

8. Room Assignment: Room assignment will be allocated based on the date of receipt of the workshop applications. SRS reserves the right to change location of the workshops rooms if conflict arises regarding space requests or conditions that are beyond the control of SRS.
9. Program Entries: SRS will include information on the Workshops in the Final Program to be distributed to delegates onsite. Companies will be asked to indicate the title and topic of the workshop, the names of the instructors participating, and a brief description of the session. Supporting companies will be responsible for providing specific information on their workshop no later than July 1, 2025. SRS cannot guarantee that information received after July 1 will be included in the Final Program. SRS highly encourages workshop supporters to submit as much information as possible in advance for inclusion in the Final Program.
10. Shipping: SRS advises that demonstration materials be shipped using the official freight forwarder for the Annual Meeting and that all materials be clearly marked. Companies must arrange for their own shipping and return shipping. SRS is not responsible for locating materials shipped using other methods (FedEx, UPS, DHL, etc.).
11. Storage: SRS will not provide storage space for equipment that will be used in the workshops. Companies must arrange for their own storage space. Demonstrating companies may request storage space through SRS by emailing corporate-support@srs.org. Rental fees may be assessed and are the responsibility of the demonstrating company.

IMAST Grant Support

SRS is pleased to accept support in the form of grants to offset the costs of various IMAST educational components, networking opportunities and meeting services. Grant opportunities include, but are not limited to:

Opening Session

The Opening General Session will start the IMAST program with the top-rated Whitecloud Award nominated papers. A single company is invited to exclusively support the Opening Session. As the sole supporter, your company name will be displayed on the screen prior to the start of the opening general session, and your company will be acknowledged in the Final Program.

\$15,000 (open to one supporter)

**Reservation deadline for this grant – January 15, 2025*

Ribbon Wall

Multiple supporters will have the opportunity to support the Ribbon Wall, where delegates will pick up the ribbons that they will put on their name badges. Located in a high-traffic area near registration; names of corporate supporters will be displayed on the ribbon wall.

\$5,000 (open to multiple supporters)

**Reservation deadline for this grant – January 15, 2025*

Beverage Breaks in the Exhibit Area

As a supporter of *all breaks on one day of the meeting*, your company will be allowed to include educational materials in the beverage break areas to draw attendees to your booth.

\$10,000 per day (open to 2 supporters)

**Reservation deadline for this grant – January 15, 2025*

E-Point Presentation Kiosks

Multiple supporters will have the opportunity to support the E-Point Presentation kiosks. E-Point Presentations will be displayed at IMAST at special computers located in a high-traffic area. Corporate supporters will be acknowledged on each kiosk, in the IMAST Guide and on signage.

\$10,000 (open to multiple supporters)

**Reservation deadline for this grant – January 15, 2025*

Welcome Reception

Delegates at IMAST may pick up their registration materials and gather in the Exhibit area on the evening of Wednesday, April, 2, 2025 to reconnect with colleagues and enjoy food and beverages upon their arrival to Glasgow. Supporters' booths will be highlighted during the reception and the companies will be acknowledged in the Final Program.

\$10,000 (open to multiple supporters)

**Reservation deadline for this grant – January 15, 2025*

Wireless Internet

Help IMAST delegates stay in touch and informed by providing sponsoring the wireless Internet. Access to the Internet is available in all meeting areas for those delegates traveling with their smartphones, laptops and tablets. A single supporter may brand the wireless Internet access cards with their name and tagline (subject to SRS approval) and will also be acknowledged in the IMAST printed materials.

\$30,000 (open to one supporter)

**Reservation deadline for this grant – January 15, 2025*

Educational Grant

By providing an educational grant in any amount, your company can help off-set expenses, and help keep meeting registration fees low. Acknowledgement will be included in the final program.

Any Amount (open to multiple supporters)

Cases & Cocktails

Support one of three Cases & Cocktails rooms taking place on Wednesday, April 2 from 16:00 - 18:00. Cases will be presented by faculty in three concurrent sessions. Each case presentation will be followed by attendees having the opportunity to discuss cases in small groups with an IMAST faculty member present at each table. Each table will debate the various treatment options and determine their action plan. Table tents will be placed throughout the room acknowledging supporters for each room.

IMAST Grant Support, continued

***NEW* Think Tank**

In SRS Think Tanks, the Society convenes subject matter experts to discuss topics of your choosing. Companies provide SRS with goals and objectives for a private, 75-minute or 90-minute panel session. Based on these identified goals and objectives, SRS will generate a list of recommended experts from which you may select up to 5 panel participants whose expertise aligns with the session goals and objectives. Companies engaging SRS to plan and implement a Think Tank will execute an agreement with the Society stipulating the roles and responsibilities of each party. Please note: These panels are private sessions between company representatives and the selected SRS experts and may take place in person during the SRS Annual Meeting or International Meeting on Advanced Spine Techniques (IMAST).

\$20,000 per 75-minute panel

\$25,000 per 90-minute panel

Innovation Day - Wednesday, April 2, 2025 OR Saturday, April 5, 2025

In 2023, the IMAST program was shortened to allow stakeholders a better opportunity to utilize the meeting's global attendance and continue to move the field forward. Wednesday, April 2 prior to sessions and Saturday, April 5, 2025 can be used by any and all stakeholders to meet with their key opinion leaders (KOLS), provide additional education, etc. SRS requests that **all stakeholders** submit their Innovation Day events through the affiliate meeting portal for IMAST for tracking purposes and continued evaluation of providing this option.

Exhibitor Service Kit

An Exhibitor Service Kit containing additional information, order forms, shipping information, etc. will be emailed to companies in December 2024.

Handouts, Giveaways and Raffles

Distribution of samples of products and souvenirs of modest value is permissible as long as such giveaways adhere to the guidelines set forth by AdvaMed regarding Educational Items and Prohibition of Gifts. Approval of samples must be obtained from SRS prior to IMAST.

No company materials to promote Hands-On Workshops or devices may be distributed outside the exhibit hall, per ACCME guidelines.

Exhibit Area Access

Exhibitor personnel will be permitted on the exhibit floor 30 minutes prior to opening and may remain 30 minutes after closing of the floor, with the exception of Friday, April 4, 2025, when dismantling begins.

Scientific Session Access

Exhibitors may attend all scientific sessions, space permitting.

Exhibitor Registration

You must be a registered exhibitor to participate in any part of the IMAST program. All exhibitor personnel must be registered using the complimentary exhibitor registration or as an Industry Representative. Distributor and guest badges are not available. Each exhibitor will receive complimentary exhibitor registrations based on space contracted which may be used to register exhibitor personnel free of charge as long as these personnel are registered prior to the advance registration deadline of March 25, 2024. All advance registrations above the free allotment will be charged \$1,150 each before March 25. All registrations after the advance deadline of March 25, 2024 must be made onsite at a rate of \$1,250 each. No Exceptions will be made.

Name changes will be charged an administrative fee of \$100 per badge after the deadline of March 25. Representatives without a badge will not be admitted to the exhibit area. Badges are personal, non-transferable, and must be worn in the exhibit area at all times. Attaching unapproved cards, ribbons, or other items to badges is not permitted. Replacements for lost or stolen badges may be purchased for \$1,250 each.

Welcome Reception and Cases & Cocktails Session

IMAST will kick off on Wednesday, April 2 with Cases & Cocktails (16:00-18:00) followed by the Welcome Reception, in the exhibit area, from 18:00-20:00, featuring beverages and heavy appetizers. Cases will be presented by faculty in concurrent sessions. Attendees will have the opportunity to discuss cases in small groups with an IMAST faculty present at each table. Each case presentation will be followed by small group discussions in which each table will debate the various treatment options and determine their action plan. Libations will be served during this time. Registered exhibitor personnel are welcome to attend and participate.

Housing Information

Please visit the IMAST website for information on housing. For a block of 9+ rooms, please email accommodation@glasgow-conventionbureau.com to secure. If your company requires a large number of rooms, please notify SRS via email (corporate-support@srs.org) or phone (+1-414-289-9107). SRS staff may be able to assist in securing a sub-room block for your company.

Exhibition Rules & Regulations

Interpretation of Rules

The following Rules and Regulations are part of the contract between the exhibitor and the Scoliosis Research Society (SRS). All matters not covered in these Rules and Regulations shall be referred to SRS for adjudication and the decision of SRS shall be final. These Rules and Regulations may be amended at any time by SRS and all the amendments so made shall be binding upon the exhibitor equally with these Rules and Regulations, and shall become a part thereof, providing the exhibitor is notified of the amendments. Notice may be verbal or in writing before or during the 32nd IMAST, and may be given to any authorized agent or representative of the exhibitor.

Violations of these rules and regulations may affect future exhibit assignment priority order.

Purpose of Exhibit

The sole purpose for contracting exhibit space is to display equipment, supplies, and/or services.

Payment

Payment in full must be received by December 15, 2024. Submission of an application form does not guarantee booth assignment. Exhibitors are NOT required to give education grants to IMAST to reserve exhibit space.

Refund for Cancellation

Requests for cancellation of exhibit space must be made in writing. Written cancellations received on or before December 15, 2024 will receive a full refund, less a 25% administrative fee. Cancellations received after December 15, 2024 will forfeit the entire cost of the booth.

Booth Assignments

Booths will be allocated on the following basis and order:

1. Numbers of booths requested (based on available space)
2. Number of booths occupied at the 2022, 2023, and 2024 IMAST meetings (based on space)
3. Date of receipt of exhibitor application
4. Total support dollars contributed in 2024
5. Space availability

SRS reserves the right to change the exhibit floor plan if conflict arises regarding space requests or conditions that are beyond SRS's control. SRS reserves the right to locate exhibitors demonstrating loud apparatus, conducting odor-producing activities or containing other disagreeable features in an area where the noise or aroma will not interfere with other exhibits. SRS reserves the right to determine at what point sound, odor, etc. interferes with others and must be discontinued. Exhibitors with such equipment must agree to accept space assignments,

which will abate reasonable objections to these annoyances. X-ray equipment may be exhibited, but not operated. SRS reserves the right to relocate an exhibitor at any time, with the understanding that if the exhibitor does not agree with such relocation to the extent that the exhibitor cannot participate in IMAST the deposit and/or payment for the exhibit space will be fully refunded.

The exhibit floor plan has been designed to maximize the amount of exhibit space. If none of the requested booths are available, space will be assigned based on the available booths and booth type requested, not location. Additional booths will be created at the discretion of SRS. If selected exhibit space is not available, SRS will assign the best available space. SRS reserves the right, in its sole discretion, to allocate space on any other basis it deems appropriate.

Subletting of Space

The subletting, assignment or apportionment of the whole or any part of an exhibitor's space by the exhibitor is prohibited. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of their business. Exhibitors may not permit any other party to exhibit in their space any goods other than those manufactured or distributed by the contracting exhibitor.

Booth Construction and Arrangement

All exposed parts of displays must be finished so as to present an attractive appearance when viewed from the aisles or from adjoining exhibits. If other exhibitors object to any exposed portions of a display, the exposed portions will be draped or concealed by SRS and billed to the exhibitor and venue.

Custom Booths and Exhibitor Appointed Contractors

SRS must be notified by December 15, 2024 if exhibiting company plans on using a custom built exhibit, in place of the standard shell provided by SRS. Companies using custom built booths are required to send a drawing/floorplan of their booth to SRS and complete any and all additional paperwork and insurance required by the official exhibit contractor and/or venue.

32nd International Meeting on Advanced Spine Techniques (IMAST)

April 2-4, 2025 • Glasgow, Scotland

Exhibition Rules & Regulations

Exhibit Hours, Set-up, and Dismantling

Exhibit booth hours listed in the exhibitor prospectus, including set-up and strike times, are not final and are subject to change. Final Exhibit Hours will be communicated to all exhibitors no less than two months prior to the meeting, February 2025.

The assembly of the stands is the responsibility of the organizers. All stands must be set up prior to start of the meeting on Wednesday, April 2. Any booths not set by this time will be asked to remove all crates, boxes and unnecessary items for the booth space and will be asked to set up **after** the Welcome Reception on Wednesday, April 2. Any additional setup fees or hotel and/or decorator labor will be the responsibility of the exhibiting company. When setting up the booth please keep in mind the following:

1. Respect the boundaries of your assigned space. Space in the walkways may not be used.
2. The height limit for all custom booth exhibits shall not exceed 3 meters. Further details on height limits will be provided in exhibitor kits.
3. Companies may not move or alter any signs or furniture placed by the organizer.

Exhibit Booth Set-up/dismantling may only occur during times determined by SRS unless pre-approval is granted in writing by SRS Staff. Early departure or late set up may affect future exhibit assignment priority order.

Booth Conduct

SRS reserves the right to approve all exhibits and activities related thereto. SRS may require that an exhibit be curtailed if it does not meet the standards set forth herein, if it reflects against the character of IMAST or if it exceeds the bounds of good taste as interpreted by show management. An exhibitor of questionable exhibit or activity relating thereto must submit a description of the exhibit or activity with the exhibit application approval. Inspection of the exhibit area will be made during installation hours. An effort will be made to advise exhibitors of any deviation from the rules at the time. Exhibitors must make all corrections requested by show management at their own expense or risk removal from the exhibition without notice and without obligation on the part of SRS for any refund whatsoever.

SRS reserves the right to expel or refuse admittance to any representative whose conduct is, in its opinion, not in keeping with the character and/or spirit of IMAST. Exhibit personnel may not enter another exhibitor's booth without obtaining permission. Linger in the aisles surrounding another exhibitor's booth for the purpose of obtaining product information or distracting other booth personnel is strictly prohibited and may be cause

for expulsion. An exhibit booth may not be photographed or videotaped without the permission of the legitimate occupants of that booth, except by SRS staff for archival or promotional purposes. SRS does not in any manner endorse any of the products or services related to the exhibits, which have been accepted for display during IMAST. Exhibitors may not sell any food or beverage on the exhibit floor. Distribution of any literature outside of an exhibitor's own space is prohibited. Nor procedures may be performed on any live tissue on the exhibit floor.

No Smoking

All IMAST activities are smoke-free.

Children

Children under 18 years of age will NOT be permitted to enter the exhibit area at any time during the meeting, including the installation and dismantling of exhibits.

Fire Regulations

All material used in the exhibit must be flame proofed and fire resistant in order to conform to local fire ordinances and in accordance with the regulations and established by the Scottish Events Campus (SEC). Flammable materials such as highly flammable plastics, paper, cardboard or reed matting may not be used for stand construction or facing, or for decorative purposes. Naked flames, cooking appliances, lasers and gas cylinders of all kinds are prohibited. Fire protection equipment such as hand-held fire extinguishers, fire alarms (push-button alarms) and hydrants must always be visible and accessible, and may not be obstructed or obscured from view. The fire doors must also be kept free and accessible. Storage of empties and packaging in and behind stands is prohibited.

Security

SRS and the Scottish Events Campus (SEC) will secure all entrances to the exhibit area during non-exhibit hours, allowing entrance by SRS and SEC staff only. Neither SRS nor the Scottish Events Campus (SEC) will be held responsible for any loss or damage to the exhibitor's property. Exhibitors must take precautions to protect their property against pilferage.

Insurance

The exhibitor acknowledges that none of SRS, Official Services Contractor/Decorator, nor the Scottish Events Campus (SEC) shall be obligated to maintain property, liability or business interruption insurance covering the exhibitor. It is the sole responsibility of the exhibitor to obtain such insurance and the exhibitor must do so at his/her own expense.

32nd International Meeting on Advanced Spine Techniques (IMAST)

April 2-4, 2025 • Glasgow, Scotland

Exhibition Rules & Regulations

Liability/Hold Harmless Agreement

The exhibitor assumes all responsibility and liability for and agrees to protect, defend, indemnify, save and hold forever harmless SRS, Official Service Contractor/Decorator, the Scottish Events Campus (SEC) and their respective agents, servants, employees, representatives, successors and assigns, from any and against all claims, demands, causes of action, damages, costs and expenses, including attorneys' fees, for injury to person or damage to property, including theft, misappropriation, or loss of property, arising out of or in conjunction with the exhibitor's occupancy or use of the Scottish Events Campus (SEC) and its facilities, including but not limited to the installation, maintenance, and removal of the exhibit, and from and against any penalty, damages or charges imposed for the violation of any law, ordinances, or regulations arising out of or in conjunction with the exhibitors occupancy or use of the Scottish Events Campus (SEC) and its facilities, including but not limited to the installation, maintenance, and removal of the exhibit, and from and against any penalty, damages, or charges imposed for the violation of any law, ordinances, or regulations arising out of or in conjunction with the exhibitors occupancy or use of the Scottish Events Campus (SEC) and its facilities, resulting from the negligent act or acts of its employee(s), or products. The exhibitor waives any and all claims it may have against any or all of the Official Service Contractor/Decorator and their respective agents, employees, representatives, successors and assigns for injury and damage to persons or property, including theft, misappropriation or loss of property, arising out of or in conjunction with IMAST and the use of the Scottish Events Campus (SEC) and its facilities, except as may arise solely from the gross negligence of one of the foregoing parties. The exhibitor further waives any claim against SRS and its agents, employees, representatives, successors and assigns, arising out of the oral or written publication of any statement made in connection with IMAST by anyone not an employee of SRS concerning the exhibitor or his/her exhibit. In the event that Scottish Events Campus (SEC) or any portion thereof is destroyed or damaged by fire other calamity so as to prevent the use of the premises for the purposes and during the period of the exhibit or in the event IMAST, the Scottish Events Campus (SEC), or Official Service Contractor/Decorator cannot use or occupy the premises because of strikes, acts of God, national emergency or other causes beyond their control, the exhibitor's right to exhibit lease shall terminate and the exhibitor hereby waives any claim it may have against any of the foregoing parties by reason of such termination, except that if such event occurs prior to April 2, 2025, the opening day of the meeting, SRS shall refund the prepaid fee to the exhibitor.

Demonstration and Liability

Distribution of promotional materials by the exhibitor must be confined within the bounds of the exhibitor's assigned exhibit space and shall not interfere with aisle space. If the premises of the facility are defaced or destroyed by the exhibitor, its agent, or representatives, the exhibitor will be liable to the facility for such an amount as shall be deemed necessary for restoration to the previous condition. No representative of the Scottish Events Campus (SEC) has been or is authorized to make any representation, which varies from the express terms of this contract, though the contract may be supplemented in writing. In any legal action or arbitration or other proceeding brought on account of a breach of any provision of this Agreement, the prevailing party shall be awarded its attorney's fees and other cost incurred in such action or proceeding, in addition to any other relief to which it may be entitled. Any modifications or changes to this Agreement must be made in writing, and signed by both parties hereto.

Distribution of Printed Materials and Canvassing by Industry

Canvassing in any part of the facilities used by SRS is strictly forbidden and anyone doing so will be asked to leave the meeting. Distribution of advertising or printed material by the exhibitor outside the exhibitor's allotted space will not be permitted unless the distribution or advertising is organized by SRS. No exhibiting materials or equipment are permitted outside of the Exhibit area or Workshop rooms. These rules begin at 07:00 on Wednesday, April 2 and continue through the end of the meeting on Friday, April 4.

Handouts and Giveaways

Distribution of samples of products and souvenirs of modest value is permissible as long as such giveaways adhere to the guidelines set forth by AdvaMed regarding Educational Items and Prohibition of Gifts. Approval of samples must be obtained from SRS prior to IMAST. Distribution of such products or souvenirs will be allowed, provided it is done in a dignified manner, does not create a nuisance, and causes no interference with adjoining exhibits. Unapproved items will be removed from the exhibit floor. For approval, send a sample of all giveaways and handouts to:

32nd International Meeting on Advanced Spine Techniques (IMAST)

April 2-4, 2025 • Glasgow, Scotland

Exhibition Rules & Regulations

Contests, Raffles and Drawings

Approved contests, drawings or raffles must comply with AdvaMed guidelines, local and federal laws governing such contest, raffles or drawings and have prior approval of SRS. The rules must be posted at the booth and include: eligibility, date and time of drawing, the words "no purchase necessary to enter," odds of winning, how winners are notified, how participants can find out who won, etc. The exhibitor must agree to indemnify SRS, its Board of Directors, employees and vendors in the event of any claims arising from the operation of the event. SRS must be notified of the winners and when the prize was awarded. SRS reserves the right to restrict contest, drawings or raffles that it deems inappropriate or unprofessional.

Use of SRS Logos

The use of the name and logo of the Scoliosis Research Society and the branding for the 32nd IMAST may not be used in company signs, advertising or any promotions.

Industry Events

No entertainment functions, meetings, courses or social functions may be scheduled to conflict with IMAST program hours, activity hours or exhibit hours. Entertainment and social functions must be in good taste and conform to the purpose of the meeting. Exhibitors and supporters must obtain prior approval by SRS of all special activities (entertainment, educational, social, promotional, etc.) for the period beginning Wednesday, April 2 through Friday, April 4, 2025. Please refer to the IMAST Affiliate Function Space Guidelines on page 5. Neither the convention center nor any of the IMAST hotels will make arrangements for function space without having received written approval from SRS. **Announcements** and invitations addressed to members of the medical profession concerning such industry events should clearly indicate the name(s) of the corporate supporter and must in no manner imply directly or indirectly that the event is a part of, or an official activity of, SRS.

32nd International Meeting on Advanced Spine Techniques (IMAST) April 2-4, 2025 • Glasgow, Scotland

HOW Rules & Regulations

Instructor Selection

- The sponsoring company is welcome to invite the instructors of their choice, and any number they wish.
- Either company personnel or surgeons may serve as instructors.
- Faculty speaking in SRS-programmed sessions may serve as HOW instructors.
- Workshop supporters are responsible for contacting chosen instructors to invite them to participate and then to communicate the names of confirmed instructors to SRS. SRS will not contact potential instructors and will assume that names submitted have been confirmed in advance.

Instructor Restrictions

- Use of the SRS Presidential Line (President, President Elect, Vice President, Immediate Past President) as faculty are limited to Triple Diamond Partners and Double Diamond Partners as outlined on pages 2-3.
- SRS-selected faculty are eligible to participate as instructors.
- **All instructors must be registered for IMAST.**

Instructor Funding

- The sponsoring company is responsible for all expenses incurred by their HOW instructors, subject to the company's own internal guidelines and agreements with the instructors.
- SRS will not pay for instructor expenses, unless the individual is also serving as IMAST faculty.
- **All instructors must be registered for the meeting.**

Promotion

SRS will promote workshops in the Preliminary Program, on-line, in the mobile app, in the Final Program, as well as in the IMAST Newsletter prior to the meeting.

Companies are welcome to promote their workshops

- Within their own exhibit booth spaces
- In print, with approval of message by SRS
- Electronically, with approval of message by SRS
- (1) Sign/banner stand outside of assigned room at time of the workshop

Workshop supporters are welcome to promote the HOWs in which they will participate using their own contacts or distribution channels, both in advance of IMAST and onsite during the meeting. However, all promotional materials, including both print and electronic messages, must be approved by SRS prior to distribution.

Please send a draft of the materials to corporatesupport@srs.org for prompt review. Distribution of materials onsite in Glasgow is restricted to your company's exhibit space. Flyers may NOT

be placed in session rooms, the registration area, distributed by hand to delegates outside of the exhibit hall, or in any other part of the meeting space without written consent from SRS. Delegate bag inserts or hotel room drops may be used to promote HOWs. Please refer to page 19 for more information.

Room Assignment

Room assignment will be allocated on the following basis:

- Date of receipt of Hands-On Workshop application
- Number of workshops requested
- Total support dollars contributed in 2024
- Space availability

SRS reserves the right to change location of the workshops rooms if conflict arises regarding space requests or conditions that are beyond the control of SRS.

Program Entries

SRS will include information on the Hands-On Workshops both on the IMAST website www.srs.org/imast2025 in advance of the meeting, and as part of the Final Program to be distributed to delegates onsite. Companies will be asked to provide the title and topic of the workshop, the names of the instructors participating, and a brief description of the session (150 word max). for inclusion in the final program. Supporting companies will be responsible for providing specific information on their workshop no later than February 1, 2025. SRS cannot guarantee that information received after February 1 will be included in the Final Program.

SRS highly encourages workshop supporters to submit as much information as possible in advance for inclusion on the website and Final Program. Companies submitting thorough descriptions, including the names of instructors, reported significantly higher participation in previous years.

Storage

Limited storage space is available at the Scottish Events Campus (SEC) for equipment that will be used in the Hands-On Workshops. Rental fees may be assessed and are the responsibility of the demonstrating company. Demonstrating companies may reserve extra individual storage areas by contacting the Scottish Events Campus (SEC).

Shipping

SRS advises that demonstration materials be shipped along with exhibit materials, and clearly marked so that demonstrating companies may direct their materials to either their booth or storage areas. SRS is not responsible for locating materials shipped to the Scottish Events Campus (SEC) using other methods (FedEx, UPS, DHL, etc.).

32nd International Meeting on Advanced Spine Techniques (IMAST) April 2-4, 2025 • Glasgow, Scotland

2024 Cohort

SRS 2025 Regional Courses

SRS Regional Courses aim to further the global exchange of spine deformity knowledge, strengthen the spine deformity international community and offer continuing education to spine deformity surgeons around the world. With three specific categories of courses, including:

- **Traditional Worldwide Courses**

Each course is designed to serve the needs of spine deformity surgeons in that region and is held in conjunction with an affiliated meeting. Faculty for each course will include three to four SRS members, selected by the Worldwide Course Committee, as well as leading local surgeons. See page 34 for more information.

- **Spine Deformity Solutions Courses**

These Hands-on courses provide an opportunity for participants to expand their knowledge and improve their skills through hands-on training. A minimum of ten hours of each course are devoted to lab work with topics and lab sessions covering all areas of the spine and a variety of conditions and techniques. Corporate supporters have the opportunity to provide instrumentation and implants for all of the techniques taught at the station(s) they support. See page 35 for more information.

Traditional Worldwide Courses

Overview

Gain recognition in the world’s growing markets by supporting Worldwide Courses planned in 2025.

Worldwide Courses intend to:

- Further the global exchange of spine deformity knowledge;
- Offer continuing education to surgeons who may find it difficult or impossible to attend the SRS Annual Meeting or IMAST because of cost, travel restraints or visa issues;
- Strengthen the international community of spine deformity surgeons;
- Generate interest in the SRS, its programs, mission and membership.

Worldwide courses typically attract 200-300 spine surgeons. Programs combine lectures, case presentations, panel discussions, abstract presentations and workshops. Faculty for each course will include three to four SRS members, selected by the Worldwide Course Committee, as well as leading local surgeons. Presentations cover a broad range of spinal deformity issues, both pediatric and adult, as well as locally pertinent topics such as cervical spine, osteoporosis, tuberculosis and others.

Corporate Support Opportunities

Educational Grant

Each grant of \$15,000 will entitle supporting companies to a Workshop/Demonstration using their equipment at a time designated by course organizers, with a maximum of one Workshops/Demonstrations allowed per company per course. Faculty and topics for workshops will be selected by the supporting company. By providing an unrestricted educational grant in any amount, your company can help off-set conference expenses, and help to further the global exchange of spinal deformity knowledge. Acknowledgement will be given in all printed materials and on signs at the course, and will count toward year-long total support.

Full grant amount of \$15,000 must be provided to receive a Workshop/Demonstration.

2025 Worldwide Courses

| Dates | Location | Affiliated Meeting | |
|---------------------|------------------------|--|-------------|
| January 23-25, 2025 | Mexico City, Mexico | SILACO | 2 available |
| June 25-27, 2025 | Iguazu, Argentina | Argentine Society of Spinal Pathology (SAPCV) | 2 available |
| August 2-3, 2025 | Cairo, Egypt | Egyptian Scoliosis Society | 2 available |
| November 12, 2025 | London, United Kingdom | British Scoliosis Society (BSS) & Nordic Spine Deformity Society (NSDS) Combined Meeting | 0 available |

Spine Deformity Solutions Courses

The Spine Deformity Solutions courses demonstrate open and minimally invasive surgical techniques for the correction of spinal deformity at all levels of the spine, from the occiput to the sacrum. To ensure maximum participation for attendees and the best possible support from faculty, there will be only three attendees per station, per lab session. Support opportunities for lab stations will be offered according to the following guidelines.

- Each station will be \$20,000.
- Each company is to provide instrumentation and implants to support all of the techniques to be taught at their station as well as general instrumentation.
- 100% of the lab station fee will be recognized towards overall support level for SRS.
- Each supported station will receive two complimentary badges to the course and two invitations to the faculty dinner.

*Companies supporting three (3) stations will be provided workshop opportunities during the course. If space/time allows, companies supporting two (2) stations will be offered workshops.

**Reservation Deadline – December 15, 2024*

Lori A. Karol Women in Spine Award

Dr. Karol was the first female elected to the SRS Presidential Line in 2020. Shortly before taking on the role of Vice President of the Society, she was diagnosed with a Glioblastoma multiforme (GBM). While able to serve the Society for several months, ultimately, she resigned from her role as Vice President, and passed away in February 2022. This award is to be used by the recipient to cover the various costs to attend the SRS Annual Meeting and to complete a 2-3 week visiting fellowship with an SRS member.

\$9,775 per award (1 available) Any amount toward fund principal.

**Reservation Deadline – December 15, 2024*

Robert B. Winter Fund for Global Outreach

Honoring Dr. Robert Winter, this fund will support improved spinal deformity treatment and surgery on an international basis by providing opportunities for young surgeons to visit a center or centers of spine care outside their country of origin and/or opportunities for experienced surgeons to travel to areas in need of their expertise and instruction.

Grants

A \$13,800 grant will support travel, housing and other expenses for a young surgeon to spend time with a senior SRS member. Supporters providing grants in any amount will be recognized in materials related to the program, on the SRS website and in other printed materials.

\$13,800 per Fellowship (maximum of 2 Fellowships are available for support)

Any amount toward fund principal.

**Reservation Deadline – December 15, 2024*

SRS Traveling Fellowship*

Three young surgeons from outside North America will be selected through an application process to travel with a Senior Fellow (selected by the SRS Board) to spine centers in North America. This highly successful program is consistently reported to the “the best experience of my life” by the selected fellows. Supporters will be acknowledged in presentations and materials related to the Traveling Fellowship and will be invited to attend the Business Meeting at the Annual Meeting to hear the Fellows’ report.

A grant of \$80,500, including administrative fees, is used to cover expenses. Open to one supporter. The full amount of the grant must be provided to support this fellowship.

**This support item is subject to first right of refusal by DePuy Synthes.*

SRS Research Programs

The SRS Research funds are dedicated solely to research seeking improved treatments, the causes and possible prevention of spinal deformities. Since 1994, SRS has provided more than \$7.3 million for 218 spinal deformity research projects from the institutions all over the world, including the United States, Australia, Canada, China, France and Israel. These have included studies on improved spinal cord monitoring during surgery, brace treatment effectiveness, methods to improve fusion rates, and three large studies looking for the cause of idiopathic scoliosis.

In 2024, SRS received 68 grant applications, requesting a total of \$2.4 million. The following 12 projects were selected for funding.

| Title of Project | Primary Investigator/ Location | Grant Duration | Type of Grant | Amount Approved |

Named Research Grants

A variety of named research grant options are available for support. These named research grants to be awarded through the normal application and peer-review process of the SRS. The available grant, with the company name, will be listed on the SRS research grant website and in other notifications of available and awarded grants.

**Available only to companies at the Diamond, Double Diamond or Triple Diamond Support Level - Limit 1 per company*

Guidelines

- The research grant will carry the name of the donating company;
- Named research grants are offered to companies at the Diamond, Double Diamond or Triple Diamond Support Levels;
- Should they wish to do so, the donating body will have the right to designate the grant support research in one of the following fields: Pediatric Deformity, Adult Deformity, or Genetics
- Selection of the grant recipient will be done entirely by the SRS Research Grant Committee according to their established guidelines, and with no involvement or input from the donating body;
- The Research Grant Committee will make every effort to select a grant within the preferred field, if one has been designated, but SRS reserves the right to select the best available grant if an appropriate study is not identified within the requested area of investigation. The selected grant will continue to carry the name of the donating body;
- The research grant, with the company name, will be listed on the SRS website

Deadline to reserve this opportunity is January 15, 2025

All grants to support research include at 15% management fee to offset costs for staff time, committee conference calls and/or meetings, website updates and other costs related to announcing awards, selecting recipients, obtaining interim and final reports, and processing payments.
