Scoliosis Research Society Mission Statement

*The purpose of the Scoliosis Research Society is to foster the optimal care of all patients with spinal deformities.*

## ACCME

The Scoliosis Research Society recognizes that commercial support is an important element of educational meetings and adheres strictly to all ACCME directives and guidelines that govern commercial support of continuing education.

## AdvaMed

The Scoliosis Research Society adheres to the Advanced Medical Technology Association (AdvaMed) Code of Ethics on Interactions with Health Care Professionals. Support opportunities offered herein follow the revised code adopted in July 2009, which clarify and distinguish between appropriate and inappropriate activity between health care professionals and representatives of medical device companies.

# Invitation to Support

## Dear SRS Corporate Partners,

We are pleased to offer the following 2026 Corporate Support Program. The Scoliosis Research Society (SRS) has had another year of strong performance supporting our primary goals of research, education and outreach, and we are looking forward to 2026, including our **new offering**, the SRS Asia Pacific Meeting.

Importantly, the depth and breadth of our corporate support has grown, facilitating our ability to effectively carry out our worthwhile mission. These vital SRS activities, among others, would not have been attainable without your continuous support. We recognize and appreciate our strong relationships with companies that share our commitment to spinal deformity care. SRS is proud to acknowledge our Corporate Partners as critical contributors to the success and progress of the Society, as we pursue our mission “to foster the optimal care of all patients with spinal deformity.” We know that you share in our mission and hold a stake in our success.

As our Society continues to grow globally, we will continue to explore different venues in order to offer versatile education programs. We recognize that these opportunities for growth can only be fully realized with the continued backing of you, our long-standing and greatly appreciated Corporate Supporters. We again reiterate our commitment to working with you, to identify mutually beneficial collaborations.

Should you have any questions or wish to discuss a particular initiative, please contact Ashtin Neuschaefer at the Society’s Headquarters Office at +1-414-289-9107 or via email to [aneuschaefer@srs.org](mailto:aneuschaefer@srs.org) or [corporatesupport@srs.org](mailto:corporatesupport@srs.org).

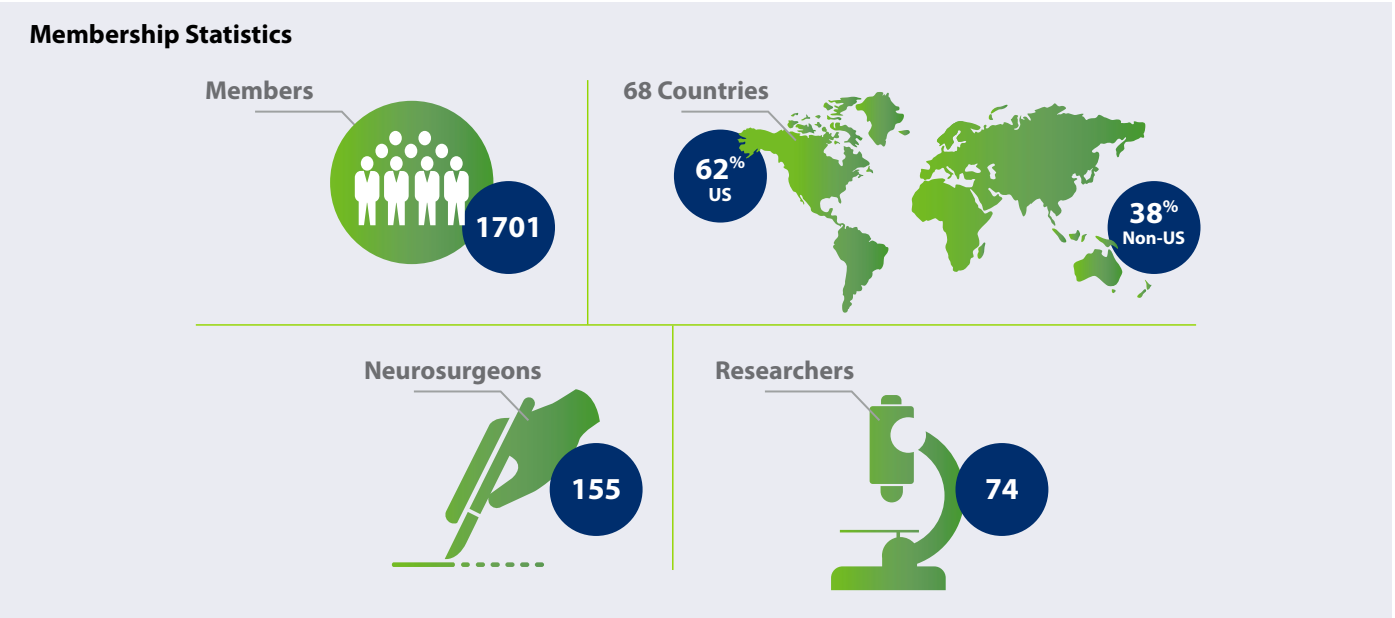

Han Jo Kim, MD  
SRS Corporate Relations Chair

Suken A. Shah, MD  
SRS President 2025-2026

**While inflation and other factors have caused significant increases in costs to the SRS, support levels have not been raised since 2012, while simultaneously raising our membership dues, meeting registration costs, and adjusting our staffing expenses. Please note that in 2026, 2027 and 2028 Double Diamond and below levels will increase by 11% of the 2025 support amounts for a total 33% increase as of 2028.**

# Meeting Conduct Guidelines

SRS asks each of its Corporate Supporters to adhere to the following guidelines regarding participation in SRS meetings and courses, as a courtesy to the Society, its members and meeting delegates:

- No entertainment functions, meetings, courses or social functions may be scheduled to conflict with SRS meeting program hours, activity hours, exhibit hours or social events.
- Entertainment and social functions must be in good taste and conform to the purpose of the meeting, as well as complying with all AdvaMed and MedTech guidelines governing interaction with physicians.
- Exhibitors and supporters must obtain prior approval of SRS for all special activities (entertainment, educational, social, promotional, etc.) held in conjunction with the SRS Annual Meeting and IMAST. Please refer to the Affiliate Function Space Request Guidelines below, for more information.
- Announcements and invitations addressed to members of the medical profession concerning such industry events should clearly indicate the name of the corporate supporter and must in no manner imply directly or indirectly that the event is part of, endorsed by, or an official activity of, SRS.
- Attendee lists provided by SRS to Corporate Supporters, as part of the Benefits of Support outlined on page 2-4, are intended for one-time, meeting-related use only. All announcements and invitations addressed to SRS meeting delegates must be pre-approved by SRS. **Violations will result in a one-year ban from receiving any type of mailing list.**

## Affiliate Function Space Guidelines

Exhibitors and supporters must obtain prior approval by SRS for all special activities (entertainment, educational, social, promotional, etc.) for the period beginning Sunday, October 4 through Saturday, October 10 for the Annual Meeting; and Wednesday, April 15 through Friday, April 17 for IMAST, **including any events you plan to hold for Innovation Day at IMAST, which may now be held Wednesday prior to sessions beginning OR anytime on Saturday.**

Affiliate function requests will be collected through an online system. Approved requests will be forwarded to the appropriate venue for space assignment, which will be at the sole discretion of the hotel or convention center.

The link to submit requests for IMAST affiliate space will be available August 2025, and Annual Meeting affiliate space will be available January 2026.

For any questions, please contact the SRS Team at [corporate-support@srs.org](mailto:corporate-support@srs.org).

### **Only applications that adhere to the following Meeting Conduct Guidelines will be approved:**

- No entertainment functions, meetings, courses or social functions involving surgeon delegates may be scheduled to conflict with SRS meeting program hours, activity hours, exhibit hours or social events. Internal corporate meetings involving supporter or affiliate organization staff only are exempt from this limitation.
- Entertainment and social functions must be in good taste and conform to the purpose of the meeting, as well as complying with all AdvaMed guidelines governing interaction with physicians.
- SRS should be notified in writing of any special activities (whether entertainment, educational or promotional in nature) planned by an affiliated company for the period during which SRS meeting functions occur.
- Announcements and invitations addressed to members of the medical profession concerning such industry events should clearly indicate the name of the corporate supporter and must in **no manner imply directly or indirectly that** the event is part of, or an official activity of, SRS.
- Attendee lists provided by SRS to Corporate Supporters, either as part of the benefits of Support outlined in the Corporate Support Program or as part of IMAST exhibition packages, are intended for one-time, meeting-related use only. All announcements and invitations addressed to SRS meeting delegates should be preapproved by SRS.

### **Email lists can be used for the following meeting-related (Annual Meeting or IMAST) purposes:**

- Promotion of Hands-On Workshops (HOW) or presence at IMAST as an exhibitor.
- Presence at the Annual Meeting including off-site activities in accordance with affiliate function guidelines and corporate hospitality room policies.
- Emails should not include promotion of specific devices or courses not in conjunction with the Annual Meeting or IMAST.
- Announcements should not imply a product or company is endorsed by SRS.
- General company news is appropriate if related to presence at Annual Meeting or IMAST; however, blast emails should not be a general promotion of the company.
- All blast emails must be approved by SRS; specific instructions for approval will be sent to company representatives with the email list.

# 61<sup>st</sup> Annual Meeting

## October 6-10, 2026 • Sydney, Australia

### Overview of the Annual Meeting

The Scoliosis Research Society Annual Meeting is a forum for the realization of the Society's mission and goals, to foster the optimal care of all patients with spinal deformities. Presentations at the Annual Meeting are given by leading experts in the field and have value for health care professionals who treat spinal deformities at all levels and in all ages. Over 160 papers will be presented on an array of topics, including adolescent idiopathic scoliosis, growing spine, kyphosis, adult deformity, trauma, neuromuscular scoliosis and tumors.

- In a five-year period, held in North America three times and outside North America twice.
- Approximately 1,500 attendees.
- The latest and greatest scientific research, methods and techniques in spinal deformity.
- 3-day program plus Pre-Meeting Course, including podium papers, Lunchtime Symposia and E-Point Presentations.
- Podium presentations are four minutes in length.
- Minimum two-year follow up required for abstract submissions.

### Target Audience

Presentations at the Annual Meeting will have value for physicians and allied health personnel who treat spinal deformities at all levels and in all ages of patients. Medical students, residents, fellows and researchers with an interest in spinal deformities will also benefit from the materials presented.

### Annual Meeting Grant Support

---

SRS is pleased to accept support in the form of grants to offset the costs of various Annual Meeting educational components, networking opportunities and meeting services. Grant opportunities include, but are not limited to:

#### Educational Grant

By providing an educational grant in any amount, your company can help off-set Annual Meeting expenses, and help keep meeting registration fees low.

Any Amount (open to multiple supporters)

#### E-Point Presentation Kiosks

Multiple supporters will have the opportunity to support the E-Point Presentation kiosks. More than 100 E-Point Presentations are displayed at the Annual Meeting at special computers located in a high-traffic area. Corporate supporters will be acknowledged on each kiosk, in the Annual Meeting Meeting Guide and on signage.

\$10,000 (open to multiple supporters)

*Reservation deadline for this grant – July 1, 2026*

#### Ribbon Wall

Multiple supporters will have the opportunity to support the Ribbon Wall, where delegates will pick up the ribbons that they will put on their name badges. Located in a high-traffic area near registration; names of corporate supporters will be displayed on the ribbon wall.

\$5,000 (open to multiple supporters)

*Reservation deadline for this grant – July 1, 2026*

#### Beverage Breaks

As a supporter of *all breaks on one day of the meeting*, your company will be acknowledged by signage in the beverage break areas and recognized in printed materials.

\$15,000 per day (Wednesday, Thursday, or Friday)

*Reservation deadline for this grant – July 1, 2026*

#### Welcome Reception

The Opening Ceremonies on Wednesday, October 7 officially mark the commencement of the Annual Meeting. Afterward, delegates will gather at the Welcome Reception in a nearby area to enjoy food, beverages and to reconnect with colleagues. The supporter(s) will be acknowledged in the final program and meeting guide as well as on signage at the reception.

\$20,000 (open to multiple supporters)

*Reservation deadline for this grant – July 1, 2026*

#### Pre-Meeting Course

The SRS Education Committee presents a half-day course prior to the start of the Annual Meeting each year. Topics and faculty are selected by the Education Committee and will be announced in early 2026. Coffee breaks are served and CME credits are offered for this session. Up to four supporters are welcome to support the course to assist in offsetting overall program expenses. Supporters will be acknowledged in the Course syllabus materials and on signage outside the session.

\$10,000 (open to up to four supporters)

*Reservation deadline for this grant – July 1, 2026*

#### Hibbs Society Meeting

Over the years, the Russell A. Hibbs Society, formed in 1947 as an international travel club for continuing medical education and furthering orthopaedic knowledge, has held an educational meeting at the SRS Annual Meeting. These meetings address difficult and complex issues that do not lend themselves to the usual kind of scientific presentations. The meeting encourages interaction among international participants and highlights new ideas, new concepts, and reports on personal experience. The Hibbs Society Meeting is planned by the SRS Traveling Fellows and will highlight current concepts and controversies around optimization of care ranging from early-onset scoliosis to idiopathic scoliosis to adult deformity surgery. Supporters will be acknowledged in the program materials and on signage.

\$5,000 (open to up to four supporters)

*Reservation deadline - July 1, 2026*

#### Lunchtime Symposia

The SRS Education Committee presents 2-3 Lunchtime Symposia on Wednesday, October 7. Topics and faculty are selected by the Education Committee and will be announced in early 2026. Corporate Supporters are welcome to support the sessions to assist offsetting overall session expenses. Supporters will be acknowledged in the program materials and on signage outside the session.

\$5,000 (open to multiple supporters)

*Reservation & artwork deadline for this grant - July 1, 2026*

### Annual Meeting Grant Support

---

#### **Wireless Internet**

Help Annual Meeting delegates stay in touch and informed by sponsoring the wireless Internet. Access to the Internet is available in all meeting areas for those delegates traveling with their smartphones, laptops and tablets. A single supporter may brand the wireless Internet access cards with their name and tagline (subject to SRS approval) and will also be acknowledged in the Annual Meeting printed materials.

\$40,000 (open to one supporter)

*Reservation deadline for this grant – July 1, 2026*

#### **Think Tank**

In SRS Think Tanks, the Society convenes subject matter experts to discuss topics of your choosing. Companies provide SRS with goals and objectives for a private, 75-minute or 90-minute panel session. Based on these identified goals and objectives, SRS will generate a list of recommended experts from which you may select up to 5 panel participants whose expertise aligns with the session goals and objectives. Companies engaging SRS to plan and implement a Think Tank will execute an agreement with the Society stipulating the roles and responsibilities of each party. Please note: These panels are private sessions between company representatives and the selected SRS experts and may take place in person during the SRS Annual Meeting or International Meeting on Advanced Spine Techniques (IMAST).

\$20,000 per 75-minute panel

\$25,000 per 90-minute panel

#### **\*NEW\* Traveling Fellows Reception**

SRS Traveling Fellows past and present are invited to attend the Traveling Fellows Reception on Tuesday, October 6 from 17:00-18:00. Multiple supporters are invited to support this opportunity. Supporters will be acknowledged on event signage and verbally during the event.

\$10,000 (open to multiple supporters)

*Reservation deadline - July 1, 2026*

#### **\*NEW\* Women in Spine Breakfast**

Support the SRS Women in Spine Breakfast on Wednesday, October 7. *The breakfast will include networking and a speaker to be chosen by SRS.* Support of the breakfast includes attendance for two industry representatives.

Please send a draft of the materials to [corporatesupport@srs.org](mailto:corporatesupport@srs.org) for prompt review.

# 61<sup>st</sup> Annual Meeting

## October 6-10, 2026 • Sydney, Australia

### Industry Workshops

---

- Distribution of printed materials onsite at the Annual Meeting is restricted to advertising space purchased from SRS, such as bag inserts or hotel room drops. Flyers may NOT be placed in session rooms, the registration area, distributed by hand to delegates in any part of the meeting space without written consent from SRS. Delegate e-blasts may be used to promote workshops. Please refer to page 12 for more information.
8. Room Assignment: Room assignment will be allocated based on the date of receipt of the workshop applications. SRS reserves the right to change location of the workshops rooms if conflict arises regarding space requests or conditions that are beyond the control of SRS.
  9. Program Entries: SRS will include information on the Workshops in the Final Program to be distributed to delegates onsite. Companies will be asked to indicate the title and topic of the workshop, the names of the instructors participating, and a brief description of the session. Supporting companies will be responsible for providing specific information on their workshop no later than July 1, 2026. SRS cannot guarantee that information received after July 1 will be included in the Final Program. SRS highly encourages workshop supporters to submit as much information as possible in advance for inclusion in the Final Program.
  10. Shipping: SRS advises that demonstration materials be shipped using the official freight forwarder for the Annual Meeting and that all materials be clearly marked. Companies must arrange for their own shipping and return shipping. SRS is not responsible for locating materials shipped using other methods (FedEx, UPS, DHL, etc.).
  11. Storage: SRS will not provide storage space for equipment that will be used in the workshops. Companies must arrange for their own storage space. Demonstrating companies may request storage space through SRS by emailing [corporate-support@srs.org](mailto:corporate-support@srs.org). Rental fees may be assessed and are the responsibility of the demonstrating company.

## 2026 IMAST Program

A detailed IMAST agenda will be available in October 2025 online at [www.srs.org/imast2026/program](http://www.srs.org/imast2026/program)

## IMAST Grant Support

SRS is pleased to accept support in the form of grants to offset the costs of various IMAST educational components, networking opportunities and meeting services. Grant opportunities include, but are not limited to:

### Educational Grant

By providing an educational grant in any amount, your company can help off-set expenses, and help keep meeting registration fees low. Acknowledgement will be included in the final program.

Any Amount (open to multiple supporters)

### Whitecloud Award Abstract Session

The Opening General Session will start the IMAST program with the top-rated Whitecloud Award nominated papers. A single company is invited to exclusively support the Opening Session. As the sole supporter, your company name will be displayed on the screen prior to the start of the opening general session, and your company will be acknowledged in the Final Program.

\$15,000 (open to one supporter)

*Reservation deadline for this grant – January 15, 2026*

### Ribbon Wall

Multiple supporters will have the opportunity to support the Ribbon Wall, where delegates will pick up the ribbons that they will put on their name badges. Located in a high-traffic area near registration; names of corporate supporters will be displayed on the ribbon wall.

\$5,000 (open to multiple supporters)

*Reservation deadline for this grant – January 15, 2026*

### Beverage Breaks in the Exhibit Area

As a supporter of all breaks on one day of the meeting, your company will be allowed to include educational materials in the beverage break areas to draw attendees to your booth.

\$10,000 per day (open to 2 supporters)

*Reservation deadline for this grant – January 15, 2026*

### E-Point Presentation Kiosks

Multiple supporters will have the opportunity to support the E-Point Presentation kiosks. E-Point Presentations will be displayed at IMAST at special computers located in a high-traffic area. Corporate supporters will be acknowledged on each kiosk, in the IMAST Guide and on signage.

\$10,000 (open to multiple supporters)

*Reservation deadline for this grant – January 15, 2026*

### Welcome Reception

Delegates at IMAST may pick up their registration materials and gather in the Exhibit area on the evening of Wednesday, April, 15, 2026 to reconnect with colleagues and enjoy food and beverages upon their arrival to Toronto. Supporters' booths will be highlighted during the reception and the companies will be acknowledged in the Final Program.

\$10,000 (open to multiple supporters)

*Reservation deadline for this grant – January 15, 2026*

### Wireless Internet

Help IMAST delegates stay in touch and informed by providing sponsoring the wireless Internet. Access to the Internet is available in all meeting areas for those delegates traveling with their smartphones, laptops and tablets. A single supporter may brand the wireless Internet access cards with their name and tagline (subject to SRS approval) and will also be acknowledged in the IMAST printed materials.

\$30,000 (open to one supporter)

*Reservation deadline for this grant – January 15, 2026*

### Cases & Cocktails

Support one of three Cases & Cocktails rooms taking place on Wednesday, April 15 from 16:00 - 18:00. Cases will be presented by faculty in three concurrent sessions. Each case presentation will be followed by attendees having the opportunity to discuss cases in small groups with an IMAST faculty member present at each table. Each table will debate the various treatment options and determine their action plan. Table tents will be placed throughout the room acknowledging supporters for each room.

Room 1: Adult Deformity  
Room 2: Pediatric Deformity  
Room 3: Cervical Advanced

\$7,500 (Open to three supporters)

*Reservation Deadline - January 15, 2026*

# 33<sup>rd</sup> International Meeting on Advanced Spine Techniques (IMAST) April 15-17, 2026 • Toronto, ON, Canada

## IMAST Grant Support, continued

### **\*NEW\* Session Support - Session 1: Mastering Early Practice: Lessons Learned with Grey Hair**

Support this new session at IMAST targeting early career surgeons, with a focus on avoiding complications, optimizing techniques, and early habits that lead to long-term success. The "Mastering Early Practice" session will be on Wednesday, April 15 from 14:40-15:50.

\$10,000 (Open to multiple supporters)  
*Reservation Deadline - January 15, 2026*

### **\*NEW\* Women in Spine Reception**

Support the SRS Women in Spine Reception on Thursday, April 16 for networking with leading women in the field. Support of the reception includes attendance for two industry representatives.

*Reservation deadline - January 15, 2026*

### **\*NEW\* Keynote Address**

Each IMAST the planning committee identifies a timely concept and speaker to serve as the keynote address for the meeting. Topics have included senescence and sustainability in health-care. Support of this speaker is grant funding which will be acknowledged in the program and during the speaker introduction.

\$20,000 (open to one supporter)  
*Reservation Deadline - January 15, 2026*

### **Think Tank**

In SRS Think Tanks, the Society convenes subject matter experts to discuss topics of your choosing. Companies provide SRS with goals and objectives for a private, 75-minute or 90-minute panel session. Based on these identified goals and objectives, SRS will generate a list of recommended experts from which you may select up to 5 panel participants whose expertise aligns with the session goals and objectives. Companies engaging SRS to plan and implement a Think Tank will execute an agreement with the Society stipulating the roles and responsibilities of each party. Please note: These panels are private sessions between company representatives and the selected SRS experts and may take place in person during the SRS Annual Meeting or International Meeting on Advanced Spine Techniques (IMAST).

\$20,000 per 75-minute panel  
\$25,000 per 90-minute panel

### **Innovation Day - Wednesday, April 15, 2026 OR Saturday, April 18, 2026**

In 2023, the IMAST program was shortened to allow stakeholders a better opportunity to utilize the meeting's global attendance and continue to move the field forward. Wednesday, April 15 prior to sessions and Saturday, April 18, 2026 can be used by any and all stakeholders to meet with their key opinion leaders (KOLS), provide additional education, etc. SRS requests that **all stakeholders** submit their Innovation Day events through the affiliate meeting portal for IMAST for tracking purposes and continued evaluation of providing this option.

### Exhibition Rules & Regulations

---

#### Interpretation of Rules

The following Rules and Regulations are part of the contract between the exhibitor and the Scoliosis Research Society (SRS). All matters not covered in these Rules and Regulations shall be referred to SRS for adjudication and the decision of SRS shall be final. These Rules and Regulations may be amended at any time by SRS and all the amendments so made shall be binding upon the exhibitor equally with these Rules and Regulations, and shall become a part thereof, providing the exhibitor is notified of the amendments. Notice may be verbal or in writing before or during the 33<sup>rd</sup> IMAST, and may be given to any authorized agent or representative of the exhibitor.

*Violations of these rules and regulations may affect future exhibit assignment priority order.*

#### Purpose of Exhibit

The sole purpose for contracting exhibit space is to display equipment, supplies, and/or services.

#### Refund for Cancellation

Requests for cancellation of exhibit space must be made in writing. Written cancellations received on or before December 5, 2025 will receive a full refund, less a 25% administrative fee. Cancellations received after December 5, 2025 will forfeit the entire cost of the booth.

#### Booth Assignments

Booths will be allocated on the following basis and order:

1. Numbers of booths requested (based on available space)
2. Number of booths occupied at the 2023, 2024, and 2025 IMAST meetings (based on space)
3. Date of receipt of exhibitor application
4. Total support dollars contributed in 2025
5. Space availability

SRS reserves the right to change the exhibit floor plan if conflict arises regarding space requests or conditions that are beyond SRS's control. SRS reserves the right to locate exhibitors demonstrating loud apparatus, conducting odor-producing activities or containing other disagreeable features in an area where the noise or aroma will not interfere with other exhibits. SRS reserves the right to determine at what point sound, odor, etc. interferes with others and must be discontinued. Exhibitors with such equipment must agree to accept space assignments, which will abate reasonable objections to these annoyances. X-ray equipment may be exhibited, but not operated. SRS reserves the right to relocate an exhibitor at any time, with the understanding that if the exhibitor does not agree with such

relocation to the extent that the exhibitor cannot participate in IMAST the deposit and/or payment for the exhibit space will be fully refunded.

The exhibit floor plan has been designed to maximize the amount of exhibit space. If none of the requested booths are available, space will be assigned based on the available booths and booth type requested, not location. Additional booths will be created at the discretion of SRS. If selected exhibit space is not available, SRS will assign the best available space. SRS reserves the right, in its sole discretion, to allocate space on any other basis it deems appropriate.

#### Subletting of Space

The subletting, assignment or apportionment of the whole or any part of an exhibitor's space by the exhibitor is prohibited. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of their business. Exhibitors may not permit any other party to exhibit in their space any goods other than those manufactured or distributed by the contracting exhibitor.

#### Booth Construction and Arrangement

All exposed parts of displays must be finished so as to present an attractive appearance when viewed from the aisles or from adjoining exhibits. If other exhibitors object to any exposed portions of a display, the exposed portions will be draped or concealed by SRS and billed to the exhibitor and venue.

#### Custom Booths and Exhibitor Appointed Contractors

SRS must be notified by December 5, 2025 if exhibiting company plans on using a custom built exhibit, in place of the standard shell provided by SRS. Companies using custom built booths are required to send a drawing/floorplan of their booth to SRS and complete any and all additional paperwork and insurance required by the official exhibit contractor and/or venue.

### Exhibition Rules & Regulations

---

#### Exhibit Hours, Set-up, and Dismantling

Exhibit booth hours listed in the exhibitor prospectus, including set-up and strike times, are not final and are subject to change. Final Exhibit Hours will be communicated to all exhibitors no less than two months prior to the meeting, February 2026.

The assembly of the stands is the responsibility of the organizers. All stands must be set up prior to start of the meeting on Wednesday, April 15. Any booths not set by this time will be asked to remove all crates, boxes and unnecessary items for the booth space and will be asked to set up **after** the Welcome Reception on Wednesday, April 15. Any additional setup fees or hotel and/or decorator labor will be the responsibility of the exhibiting company. When setting up the booth please keep in mind the following:

1. Respect the boundaries of your assigned space. Space in the walkways may not be used.
2. The height limit for all custom booth exhibits shall not exceed 3 meters. Further details on height limits will be provided in exhibitor kits.
3. Companies may not move or alter any signs or furniture placed by the organizer.

Exhibit Booth Set-up/dismantling may only occur during times determined by SRS unless pre-approval is granted in writing by SRS Staff. Early departure or late set up may affect future exhibit assignment priority order.

#### Booth Conduct

SRS reserves the right to approve all exhibits and activities related thereto. SRS may require that an exhibit be curtailed if it does not meet the standards set forth herein, if it reflects against the character of IMAST or if it exceeds the bounds of good taste as interpreted by show management. An exhibitor of questionable exhibit or activity relating thereto must submit a description of the exhibit or activity with the exhibit application approval. Inspection of the exhibit area will be made during installation hours. An effort will be made to advise exhibitors of any deviation from the rules at the time. Exhibitors must make all corrections requested by show management at their own expense or risk removal from the exhibition without notice and without obligation on the part of SRS for any refund whatsoever.

SRS reserves the right to expel or refuse admittance to any representative whose conduct is, in its opinion, not in keeping with the character and/or spirit of IMAST. Exhibit personnel may not enter another exhibitor's booth without obtaining permission. Linger in the aisles surrounding another exhibitor's booth for the purpose of obtaining product information or distracting other booth personnel is strictly prohibited and may be cause

for expulsion. An exhibit booth may not be photographed or videotaped without the permission of the legitimate occupants of that booth, except by SRS staff for archival or promotional purposes. SRS does not in any manner endorse any of the products or services related to the exhibits, which have been accepted for display during IMAST. Exhibitors may not sell any food or beverage on the exhibit floor. Distribution of any literature outside of an exhibitor's own space is prohibited. Nor procedures may be performed on any live tissue on the exhibit floor.

#### No Smoking

All IMAST activities are smoke-free.

#### Children

Children under 18 years of age will NOT be permitted to enter the exhibit area at any time during the meeting, including the installation and dismantling of exhibits.

#### Fire Regulations

All material used in the exhibit must be flame proofed and fire resistant in order to conform to local fire ordinances and in accordance with the regulations and established by the MTCC. Flammable materials such as highly flammable plastics, paper, cardboard or reed matting may not be used for stand construction or facing, or for decorative purposes. Naked flames, cooking appliances, lasers and gas cylinders of all kinds are prohibited. Fire protection equipment such as hand-held fire extinguishers, fire alarms (push-button alarms) and hydrants must always be visible and accessible, and may not be obstructed or obscured from view. The fire doors must also be kept free and accessible. Storage of empties and packaging in and behind stands is prohibited.

#### Security

SRS and the MTCC will secure all entrances to the exhibit area during non-exhibit hours, allowing entrance by SRS and MTCC staff only. Neither SRS nor the MTCC will be held responsible for any loss or damage to the exhibitor's property. Exhibitors must take precautions to protect their property against pilferage.

#### Insurance

The exhibitor acknowledges that none of SRS, Official Services Contractor/Decorator, nor the MTCC shall be obligated to maintain property, liability or business interruption insurance covering the exhibitor. It is the sole responsibility of the exhibitor to obtain such insurance and the exhibitor must do so at his/her own expense.

### Exhibition Rules & Regulations

---

#### Liability/Hold Harmless Agreement

The exhibitor assumes all responsibility and liability for and agrees to protect, defend, indemnify, save and hold forever harmless SRS, Official Service Contractor/Decorator, the MTCC and their respective agents, servants, employees, representatives, successors and assigns, from any and against all claims, demands, causes of action, damages, costs and expenses, including attorneys' fees, for injury to person or damage to property, including theft, misappropriation, or loss of property, arising out of or in conjunction with the exhibitor's occupancy or use of the MTCC and its facilities, including but not limited to the installation, maintenance, and removal of the exhibit, and from and against any penalty, damages or charges imposed for the violation of any law, ordinances, or regulations arising out of or in conjunction with the exhibitors occupancy or use of the MTCC and its facilities, including but not limited to the installation, maintenance, and removal of the exhibit, and from and against any penalty, damages, or charges imposed for the violation of any law, ordinances, or regulations arising out of or in conjunction with the exhibitors occupancy or use of the MTCC and its facilities, resulting from the negligent act or acts of its employee(s), or products. The exhibitor waives any and all claims it may have against any or all of the Official Service Contractor/Decorator and their respective agents, employees, representatives, successors and assigns for injury and damage to persons or property, including theft, misappropriation or loss of property, arising out of or in conjunction with IMAST and the use of the MTCC and its facilities, except as may arise solely from the gross negligence of one of the foregoing parties. The exhibitor further waives any claim against SRS and its agents, employees, representatives, successors and assigns, arising out of the oral or written publication of any statement made in connection with IMAST by anyone not an employee of SRS concerning the exhibitor or his/her exhibit. In the event that MTCC or any portion thereof is destroyed or damaged by fire other calamity so as to prevent the use of the premises for the purposes and during the period of the exhibit or in the event IMAST, the MTCC, or Official Service Contractor/Decorator cannot use or occupy the premises because of strikes, acts of God, national emergency or other causes beyond their control, the exhibitor's right to exhibit lease shall terminate and the exhibitor hereby waives any claim it may have against any of the foregoing parties by reason of such termination, except that if such event occurs prior to April 15, 2026, the opening day of the meeting, SRS shall refund the prepaid fee to the exhibitor.

#### Demonstration and Liability

Distribution of promotional materials by the exhibitor must be confined within the bounds of the exhibitor's assigned exhibit space and shall not interfere with aisle space. If the premises of the facility are defaced or destroyed by the exhibitor, its agent, or representatives, the exhibitor will be liable to the facility for such an amount as shall be deemed necessary for restoration to the previous condition. No representative of the MTCC has been or is authorized to make any representation, which varies from the express terms of this contract, though the contract may be supplemented in writing. In any legal action or arbitration or other proceeding brought on account of a breach of any provision of this Agreement, the prevailing party shall be awarded its attorney's fees and other cost incurred in such action or proceeding, in addition to any other relief to which it may be entitled. Any modifications or changes to this Agreement must be made in writing, and signed by both parties hereto.

#### Distribution of Printed Materials and Canvassing by Industry

Canvassing in any part of the facilities used by SRS is strictly forbidden and anyone doing so will be asked to leave the meeting. Distribution of advertising or printed material by the exhibitor outside the exhibitor's allotted space will not be permitted unless the distribution or advertising is organized by SRS. No exhibiting materials or equipment are permitted outside of the Exhibit area or Workshop rooms. These rules begin at 07:00 on Wednesday, April 15 and continue through the end of the meeting on Friday, April 17.

#### Handouts and Giveaways

Distribution of samples of products and souvenirs of modest value is permissible as long as such giveaways adhere to the guidelines set forth by AdvaMed regarding Educational Items and Prohibition of Gifts. Approval of samples must be obtained from SRS prior to IMAST. Distribution of such products or souvenirs will be allowed, provided it is done in a dignified manner, does not create a nuisance, and causes no interference with adjoining exhibits. Unapproved items will be removed from the exhibit floor. For approval, send a sample of all giveaways and handouts to:

### Exhibition Rules & Regulations

---

#### Contests, Raffles and Drawings

Approved contests, drawings or raffles must comply with AdvaMed guidelines, local and federal laws governing such contest, raffles or drawings and have prior approval of SRS. The rules must be posted at the booth and include: eligibility, date and time of drawing, the words "no purchase necessary to enter," odds of winning, how winners are notified, how participants can find out who won, etc. The exhibitor must agree to indemnify SRS, its Board of Directors, employees and vendors in the event of any claims arising from the operation of the event. SRS must be notified of the winners and when the prize was awarded. SRS reserves the right to restrict contest, drawings or raffles that it deems inappropriate or unprofessional.

#### Use of SRS Logos

The use of the name and logo of the Scoliosis Research Society and the branding for the 33<sup>rd</sup> IMAST may not be used in company signs, advertising or any promotions.

#### Industry Events

No entertainment functions, meetings, courses or social functions may be scheduled to conflict with IMAST program hours, activity hours or exhibit hours. Entertainment and social functions must be in good taste and conform to the purpose of the meeting. Exhibitors and supporters must obtain prior approval by SRS of all special activities (entertainment, educational, social, promotional, etc.) for the period beginning Wednesday, April 15 through Friday, April 17, 2026. Please refer to the IMAST Affiliate Function Space Guidelines on page 5. Neither the convention center nor any of the IMAST hotels will make arrangements for function space without having received written approval from SRS. Announcements and invitations addressed to members of the medical profession concerning such industry events should clearly indicate the name(s) of the corporate supporter and must in no manner imply directly or indirectly that the event is a part of, or an official activity of, SRS.

## HOW Rules & Regulations

---

### Instructor Selection

- The sponsoring company is welcome to invite the instructors of their choice, and any number they wish.
- Either company personnel or surgeons may serve as instructors.
- Faculty speaking in SRS-programmed sessions may serve as HOW instructors.
- Workshop supporters are responsible for contacting chosen instructors to invite them to participate and then to communicate the names of confirmed instructors to SRS. SRS will not contact potential instructors and will assume that names submitted have been confirmed in advance.

### Instructor Restrictions

- Use of the SRS Presidential Line (President, President Elect, Vice President, Immediate Past President) as faculty are limited to Triple Diamond Partners and Double Diamond Partners as outlined on pages 2-3.
- SRS-selected faculty are eligible to participate as instructors.
- **All Instructors must be registered for IMAST.**

### Instructor Funding

- The sponsoring company is responsible for all expenses incurred by their HOW instructors, subject to the company's own internal guidelines and agreements with the instructors.
- SRS will not pay for instructor expenses, unless the individual is also serving as IMAST faculty.
- **All instructors must be registered for the meeting.**

### Promotion

SRS will promote workshops on the website, in the mobile app, in the Final Program, as well as in the IMAST Newsletter prior to the meeting.

Companies are welcome to promote their workshops

- Within their own exhibit booth spaces
- In print, with approval of message by SRS
- Electronically, with approval of message by SRS
- (1) Sign/banner stand outside of assigned room at time of the workshop

Workshop supporters are welcome to promote the HOWs in which they will participate using their own contacts or distribution channels, both in advance of IMAST and onsite during the meeting. However, all promotional materials, including both print and electronic messages, must be approved by SRS prior to distribution.

Please send a draft of the materials to [corporatesupport@srs.org](mailto:corporatesupport@srs.org) for prompt review. Distribution of materials onsite in Toronto is restricted to your company's exhibit space. Flyers may NOT

be placed in session rooms, the registration area, distributed by hand to delegates outside of the exhibit hall, or in any other part of the meeting space without written consent from SRS. Delegate bag inserts or hotel room drops may be used to promote HOWs. Please refer to page 19 for more information.

### Room Assignment

Room assignment will be allocated on the following basis:

- Date of receipt of Hands-On Workshop application
- Number of workshops requested
- Total support dollars contributed in 2025
- Space availability

SRS reserves the right to change location of the workshops rooms if conflict arises regarding space requests or conditions that are beyond the control of SRS.

### Program Entries

SRS will include information on the Hands-On Workshops both on the IMAST website [www.srs.org/imast2026](http://www.srs.org/imast2026) in advance of the meeting, and as part of the Final Program to be distributed to delegates digitally. Companies will be asked to provide the title and topic of the workshop, the names of the instructors participating, and a brief description of the session (150 word max). for inclusion in the final program. Supporting companies will be responsible for providing specific information on their workshop no later than February 1, 2026. SRS cannot guarantee that information received after February 1 will be included in the Final Program.

**SRS highly encourages workshop supporters to submit as much information as possible in advance for inclusion on the website and Final Program. Companies submitting thorough descriptions, including the names of instructors, reported significantly higher participation in previous years.**

### Storage

Limited storage space is available at the MTCC for equipment that will be used in the Hands-On Workshops. Rental fees may be assessed and are the responsibility of the demonstrating company. Demonstrating companies may reserve extra individual storage areas by contacting the MTCC.

### Shipping

SRS advises that demonstration materials be shipped along with exhibit materials, and clearly marked so that demonstrating companies may direct their materials to either their booth or storage areas. SRS is not responsible for locating materials shipped to the MTCC using other methods (FedEx, UPS, DHL, etc.).

### 2025 Cohort

# Traditional Worldwide Courses

## Overview

Gain recognition in the world’s growing markets by supporting Worldwide Courses planned in 2026.

Worldwide Courses intend to:

- Further the global exchange of spine deformity knowledge;
- Offer continuing education to surgeons who may find it difficult or impossible to attend the SRS Annual Meeting or IMAST because of cost, travel restraints or visa issues;
- Strengthen the international community of spine deformity surgeons;
- Generate interest in the SRS, its programs, mission and membership.

Worldwide courses typically attract 200-300 spine surgeons. Programs combine lectures, case presentations, panel discussions, abstract presentations and workshops. Faculty for each course will include three to four SRS members, selected by the Worldwide Course Committee, as well as leading local surgeons. Presentations cover a broad range of spinal deformity issues, both pediatric and adult, as well as locally pertinent topics such as cervical spine, osteoporosis, tuberculosis and others.

## Corporate Support Opportunities

### Educational Grant

Each grant of \$15,000 will entitle supporting companies to a Workshop/Demonstration using their equipment at a time designated by course organizers, with a maximum of one Workshops/Demonstrations allowed per company per course. Faculty and topics for workshops will be selected by the supporting company. By providing an unrestricted educational grant in any amount, your company can help off-set conference expenses, and help to further the global exchange of spinal deformity knowledge. Acknowledgement will be given in all printed materials and on signs at the course, and will count toward year-long total support.

Full grant amount of \$15,000 must be provided to receive a Workshop/Demonstration.

## 2026 Worldwide Courses

Dates	Location	Affiliated Meeting	
January 10, 2026	Jeddah, Saudi Arabia	The Pan Arab Spine Society	1 available
January 22-25, 2026	Pune, India	Association of Spine Surgeons of India	2 available
February 18-21, 2026	Cartagena, Colombia	Sociedad Colombiana de Cirugia de Columna (SOCCOL) and the Sociedad Colombiana de Ortopedia y Traumatologia (SCCOT)	2 available
April 18-21, 2026	Curitiba, Brazil	Brazilian Spine Society	2 available

# Spine Deformity Solutions Courses

The Spine Deformity Solutions courses demonstrate open and minimally invasive surgical techniques for the correction of spinal deformity at all levels of the spine, from the occiput to the sacrum. To ensure maximum participation for attendees and the best possible support from faculty, there will be only three attendees per station, per lab session. Support opportunities for lab stations will be offered according to the following guidelines.

- Each station will be \$20,000.
- Each company is to provide instrumentation and implants to support all of the techniques to be taught at their station as well as general instrumentation.
- 100% of the lab station fee will be recognized towards overall support level for SRS.
- Each supported station will receive two complimentary badges to the course and two invitations to the faculty dinner.

Companies supporting three (3) stations will be provided workshop opportunities during the course. If space/time allows, companies supporting two (2) stations will be offered workshops.

# Fellowships & Global Outreach Program Support

The goals of the Global Outreach Program are to provide services and support for established spinal deformity medical missions in underserved regions of the world, and foster the development of regional, self-sufficient spine centers staffed by local physicians capable of providing continuing care to patients with spinal deformities. SRS members volunteer their time, skills and expertise to a number of educational initiatives including a textbook/journal donation program, an international lecture depository, and opportunities for visitor-ships/lectureships for the spinal deformity surgeons from these developing nations.

**\*\*Support for scholarship & fellowship funding must be confirmed in writing, by **December 15, 2025** to be awarded in the 2026 cycle. Sorry, no exceptions.\*\***

Fellowship and award grant opportunities are on a first-come, first-serve basis, unless otherwise noted.

All grants to support Scholarships and Fellowships include a 15% management fee to offset costs for staff time, committee conference calls and/or meetings, website updates, and other charges related to announcing awards, selection of recipients, coordinating travel, follow-up and reimbursement.

## Edgar Dawson Memorial Fellowship & Fund

This fund provides fellowships for SRS Members under 45 to enhance their skills and education through time spent with senior surgeons.

### Grants

A \$6,900 grant will provide a scholarship for use in the current year. Grants of any amount may be directed toward the fund to generate interest for future use. Supporters will be recognized in materials related to the program, on the SRS website and in other printed materials.

\$6,900 per Fellowship (maximum of 1 Fellowship is available for support)

Any amount toward fund principal.

*\*Reservation Deadline – December 15, 2025*

## Eduardo Luque Memorial Fellowship & Fund

Named for Dr. Eduardo Luque, an orthopaedic surgeon from Mexico who specialized in neuromuscular diseases and developed the Luque segmental stabilizations system, this fund aims to provide grants to support continuing education for young Latin American surgeons.

### Grants

A \$6,900 grant will provide a fellowship for use in the current year. Grants of any amount may be directed toward the fund to generate interest for future use. Supporters will be recognized in materials related to the program, on the SRS website and in other printed materials.

## Emerging Technologies Fellowship

A \$13,800 grant will support travel, housing, and other expenses for a surgeon to spend 2-3 weeks participating in a spine traveling fellowship visiting an SRS member currently practicing an emerging technology designated below. All grants include a 15% management fee to offset costs for staff time, committee conference calls/meetings, website updates, and other charges related to announcing awards, selection of recipients, coordinating travel, follow-up and reimbursements.

*Vertebral Body Tethering – 2 available - \$13,800 per fellowship*

Visiting surgeon must visit 1-2 SRS member who regularly performs vertebral body tethering using any vertebral body tethering technology approved in the host surgeon's locale. During the visiting surgeon's visit, a minimum of 2 vertebral body tethering cases must be performed per week in which the surgeon is visiting (on average). Applicants must practice in from a country in which vertebral body tethering is an approved technique by their national regulatory body. Applicants currently in their fellowship year preferred. *First right of refusal to 2025 supporter.*

*AI – 1 available - \$13,800*

This fellowship is for a surgeon or researcher to spend 2 - 3 weeks participating in a spine traveling fellowship visiting SRS members currently utilizing alignment planning software that leverages predictive modeling and machine learning. Visiting surgeon must visit 1-2 SRS members who regularly use adaptive intelligence technology. The recipient will visit an institution(s) and during the visit, plan a minimum of 2 alignment cases per week and execute another 2 alignment surgeries with a personalized rod per week. *First right of refusal to 2025 supporter.*

*If interested in offering an Emerging Technologies Fellowship in another category, please contact corporatesupport@srs.org by November 1, 2025 to discuss.*

# Fellowships & Global Outreach Program Support

## Global Outreach Fellowships

Each \$6,900 grant supports one traveling fellow from a developing nation to spend four weeks with senior SRS surgeons. By providing a fellowship grant, your company can help SRS to train local spinal surgeons and medical colleagues to provide non-operative and operative care for patients with spinal pathology. Supporters will be recognized on the SRS website and other materials distributed throughout the year.

\$6,900 per Fellowship (maximum of 8 total Global Outreach Fellowships are available for support)

*\*Reservation Deadline – December 15, 2025*

## Lori A. Karol Women in Spine Award

Dr. Karol was the first female elected to the SRS Presidential Line in 2020. Shortly before taking on the role of Vice President of the Society, she was diagnosed with a Glioblastoma multiforme (GBM). While able to serve the Society for several months, ultimately, she resigned from her role as Vice President, and passed away in February 2022. This award is to be used by the recipient to cover the various costs to attend the SRS Annual Meeting and to complete a 2-3 week visiting fellowship with an SRS member.

\$9,775 per award (1 available) Any amount toward fund principal.

*\*Reservation Deadline – December 15, 2025*

## Robert B. Winter Fund for Global Outreach

Honoring Dr. Robert Winter, this fund will support improved spinal deformity treatment and surgery on an international basis by providing opportunities for young surgeons to visit a center or centers of spine care outside their country of origin and/or opportunities for experienced surgeons to travel to areas in need of their expertise and instruction.

### Grants

A \$13,800 grant will support travel, housing and other expenses for a young surgeon to spend time with a senior SRS member. Supporters providing grants in any amount will be recognized in materials related to the program, on the SRS website and in other printed materials.

\$13,800 per Fellowship (maximum of 2 Fellowships are available for support)

Any amount toward fund principal.

*\*Reservation Deadline – December 15, 2025*

## SRS Traveling Fellowship\*

Three young surgeons from outside North America will be selected through an application process to travel with a Senior Fellow (selected by the SRS Board) to spine centers in North America. This highly successful program is consistently reported to the “the best experience of my life” by the selected fellows. Supporters will be acknowledged in presentations and materials related to the Traveling Fellowship and will be invited to attend the Business Meeting at the Annual Meeting to hear the Fellows’ report.

A grant of \$80,500, including administrative fees, is used to cover expenses. Open to one supporter. The full amount of the grant must be provided to support this fellowship.

*\*This support item is subject to first right of refusal by Medtronic.*

## SRS Research Programs

The SRS Research funds are dedicated solely to research seeking improved treatments, the causes and possible prevention of spinal deformities. Since 1994, SRS has provided more than \$7.7 million for 230 spinal deformity research projects from the institutions all over the world, including the United States, Australia, Canada, Hong Kong, Spain and the Netherlands. These have included studies on improved spinal cord monitoring during surgery, brace treatment effectiveness, methods to improve fusion rates, and three large studies looking for the cause of idiopathic scoliosis.

In 2025, SRS received 73 grant applications, requesting over a total of \$6 million. The following 13 projects were selected for funding.

Title of Project	Primary Investigator/ Location	Grant Duration	Type of Grant	Amount Approved
Automated Assessment of Bony Fusion Using Only X-Rays in Patients Undergoing Lumbar Spine Fusion Surgery by Utilizing Novel Machine Learning Technique	Rushikesh Joshi / Ann Arbor, USA	1 year	Resident/Fellow	\$10,000
Wearing the Stress: Monitoring Surgeon Strain with Wearable Technology	Kate Sborov / Los Angeles, USA	1 year	Resident/Fellow	\$10,000
