GIVE TODAY: FOSTER BETTER SPINAL CARE FOR TOMORROW

RESEARCH, EDUCATION AND OUTREACH FUND

The Research, Education and Outreach (REO) Fund supports research grants, directed research projects, scholarships and traveling fellowships, courses, and humanitarian outreach efforts that support the mission of the SRS to foster optimal care for all patients with spinal deformity.

Recognizing that US members receive significant tax breaks that are not available to members outside the US for charitable donations, complementary recognition levels have been established. The Board of Directors is hoping for 100% participation by all members at some level.
