WHEREAS, we must increase the public’s awareness of scoliosis and help children, parents, adults, and health care providers understand, recognize and treat the complexities of spinal deformities such as scoliosis; and

WHEREAS, scoliosis, an abnormal curvature of the spine, with no known cause (idiopathic), is a condition affecting 2-3% of the population, or an estimated 7 million people in the United States without regard to gender, race, age or economic status; and

WHEREAS, an estimated one million scoliosis patients utilize health care yearly; and

WHEREAS, approximately one of every six children diagnosed with this condition eventually require medical treatment; and

WHEREAS, the primary age of onset for scoliosis is between ten and fifteen years of age and females are five times more likely to develop a curve magnitude that requires treatment; and

WHEREAS, screening programs allow for early detection, and treatment opportunities which may alleviate the worst effects of the condition;

Therefore, I, John W. Hickenlooper, Governor of the State of Colorado, do hereby proclaim June 2013, as

NATIONAL SCOLIOSIS AWARENESS MONTH

in the State of Colorado.

GIVEN under my hand and the Executive Seal of the State of Colorado, this first day of June, 2013

John W. Hickenlooper
Governor
